Watch for our delivery truck on the road as we are out supplying other garden centers and florists!

Welcome to Milmont Garden Center

**Locally Owned
Since 1973.**

Milmont Garden
Center & Greenhouses

is a family-owned nursery known for having the largest selection of plants in the Shenandoah Valley. Our combination of knowledgeable staff and first-rate plants and products draws people from all over Virginia, as well as from other states.

We offer over 800 varieties of annuals and vegetables, in addition to hundreds of perennials, trees, shrubs and herbs. In every season, you are sure to find what you need. And, we have a huge selection of combination baskets, planters, houseplants and tropicals for any garden and décor.

Milmont shoppers can find a wide array of pottery, gift selections, cast and real stone fountains and benches,

and even items made by local artisans. We also have all the tools, supplies, soils and fertilizers you need to grow your plants.

Several events during the year feature plants, vendor booths, prizes, seminars, special sales and food (including our homemade donuts or ice cream). One of the favorites is our Holiday Poinsettia Open House after Thanksgiving at which we unveil thousands of poinsettias.

So, gather the family, come see us and enjoy the beauty of the Valley and the Blue Ridge Mountains while you shop!

Rose Festival

1st Saturday in June

Customer Appreciation Day

4th Saturday, September

Poinsettia Open House

Friday & Saturday after
Thanksgiving
